VISITING PROFESSOR

To whom it may concern

This letter is to certify that Dr. Antonio Alarcón Paredes visited my research group for a research stay from 2nd to 25th of February 2016 in the *Department of Applied Mathematics and Computer Science at The Technical University of Denmark*.

During his research stay, Dr. Paredes contributed with a presentation on pattern recognition and image analysis for two of our research Sections: Data Analysis and Statistics as well as Image Analysis and Computer Graphics. He furthermore engaged in research collaborations and research discussions with several staff from the two mentioned sections.
